Kids Unlimited Programs

Summer Adventure 2025

Welcome to the Kids Unlimited Programs! Kids Unlimited consists of five programs throughout the year for children.

Active Afternoons takes place each afternoon following the school day.

Summer Adventure is a six-week program held during the summer.

Fun-Tober is during the week of fall break.

Flurry of Fun takes place during the Christmas break.

Spring Extreme is held during the week of spring break.

All these programs are supervised, organized, structured and recreational. Our staff has been carefully selected to provide your child with a safe, active, fun alternative to regular childcare. Our main purpose is to provide excellent supervision and unlimited activities which includes all kinds of sports, field trips, art, plus many more games and activities.

Please contact Deanna at 868-1875 or dhutchens@seviervilletn.org for more information.

Registration Procedures:

Children in the Active Afternoons Program may register any time after the registration forms are available, usually by the middle of February. **On February 25, other current customers**, meaning anyone who was registered for last year's Summer Adventure Program and their sibling(s) may register, space permitting. **Open registration begins February 26**, space permitting. **The easiest way to register is by submitting a scanned completed registration form by email to dhutchens@seviervilletn.org.** You will then be invoiced by email to be able to pay the deposit/program fee. If you prefer an alternative way of submitting the registration form, please contact Deanna at 865-868-1875 or dhutchens@seviervilletn.org. Your child(ren) spot(s) are not confirmed until the deposit/program fee has been paid.

Even though you are a current customer, meaning you are enrolled in the current Active Afternoons Program and/or you were registered for last year's Summer Adventure Program, you are NOT guaranteed a spot. Registration could fill at any time. A completed registration form and \$25 non-refundable deposit (per week, per child) are required at registration. The deposit is non-refundable and non-transferable to other children, weeks or programs. Complete fees for the Extended Program are due at registration. For questions about the Summer Adventure Program contact Deanna at 868-1875 or dhutchens@seviervilletn.org.

Fees:

Summer Adventure Program Fee: \$115 per week. This fee includes most lunches and field trips. There may be occasional situations that children will need to bring additional money for a field trip or for lunch in addition to the Dollywood Fee described below. Please consult the detailed, weekly activity schedule for more information.

A non-refundable, non-transferable deposit of \$25 per week (to be paid at registration) will hold your child's place in the program until the first day of each week. The balance is due by Monday of each week.

Extended Program Fee: \$30 per week. This fee includes a snack and all activities. **Extended Program registration is for complete weeks only. No daily availability for the Extended Program and pre-registration is required. You must pay in full for the Extended Program to be considered registered for it. You may register and pay for the Extended Program when you initially register for the regular summer program or you may add on the Extended Program any time by May 15.**

Extended Program registration and payment deadline is May 15.

T-Shirt (optional): A Summer Adventure Program t-shirt is \$10. T-shirts are optional. T-shirts must be ordered and paid for at registration.

Dollywood Fee: The Dollywood trip will be scheduled for Week #5. If you are registering for Week #5 and if your child does not have a season pass or a single day pass for Dollywood admission, there is an extra fee for this trip: \$30.

Fees are subject to change.

Ages: Rising first graders through rising seventh graders.

Older children may be allowed to participate; however, they should understand that the scheduled activities are geared for the ages mentioned previously and their play, behavior, language, conversation and device usage should be appropriate for our youngest participants. Also, older children may not be allowed to participate in some of the scheduled activities.

Parents with younger children should consider the activities and field trips that we do and understand that there are some children that **may not be ready for a program such as this**, even if they meet the age requirement. We are involved in many different field trips that require the children to pay close attention, follow directions, stay with their group leader and keep up with their own belongings (including their clothing and money). Many of our field trips require the children to change clothes for swimming situations; they must be able to do this without supervision or help, including gathering clothing into their bag and following directions on what to do with their bag. Also, many of our field trips require us to be in areas with crowds. The children must pay close attention, follow their group leader and not be distracted. If you choose for your child to bring money, please set them up with a convenient, hands free way of carrying it and realize that while our staff will try to help them with their money when they are purchasing something, **we cannot carry their money and/or be responsible for their money.**

Basic Activities: Weekly activity schedules will be available by Wednesdays for the following week. Schedules can be found on our website at seviervilleparksandrec.com or you may pick up a hard copy at the Children's Center. Possible activities and field trips are swimming, bowling, a talent show, art, all types of sports, The Track Recreation Area, gymnastics, the Great Smoky Mountains National Park, Golden Corral, Gatlinburg, Ober Mountain, The Island, Governor's Crossing Movie Theater, Sevier Air Trampoline Park, Water Day, Soaky Mountain Water Park, Wonder Works, Lazer Tag, MagiQuest, Dollywood, Beyond the Lens, Roller Skating and Ripley's Aquarium of the Smokies. Movies that the Summer Adventure Program will be attending could be rated G or PG. Field trips and activities are subject to change.

What To Bring: Children should wear appropriate clothing and shoes for the scheduled activities and for the weather conditions. We go on with our schedule, even in rain, if possible. Most lunches are provided. A lunch menu will be issued each week. Children may bring their own lunch if they wish. We encourage children to bring a water bottle. Consult the activity schedule to determine if additional items or money are needed. Throughout the program some of our field trip destinations have an arcade, gift shop and/or concessions. Sending money for these situations is optional and completely up to the parent. **Children are responsible for keeping up with all their belongings, including their own money. Please provide your child with a backpack or some kind of "hands free" bag or secure pocket for them to carry their own items.**

If your child chooses to bring valuable electronics, such as a phone and/or other devices, most of the time the children's items are not in a secure place and these items are at risk of being stolen or damaged. Also, if your child brings an item such as this, the content and material, including music, games, pictures and internet usage should be appropriate for all ages involved in our program.

Medication: If your child needs to receive medication while they are attending the program, you must fill out a medication release form. Please see a staff person for one of these forms.

Sleepover: Children will depart as usual on the afternoon of Thursday, July 24, and return for the sleepover at 9:00 pm. Children will be involved in activities at the Children's Center and the Community Center during the evening, such as swimming, kickball, basketball and movies. A snack will be provided around 11:00 pm. The sleepover is over at 8:00 am Friday; supervision by the program staff ends at that time. No program on Friday, July 25. Children must be registered for Week 6 to attend the sleepover.
