

The following trees are approved for plating in area parks:

Deciduous trees (1.5"-2" caliper trunks, 8' tall)

Evergreen tree (min. height-5')

Maple: (Acer species)

Choose from: Red Maple or Sugar Maple

Size: 40'-50' high, 20'-25' wide

Leaf Color: Lustrous dark green leaves during summer and yellow-orange-red-dark amber red in fall.

Oak: (Quercus species)

Choose from: Pin Oak or Willow Oak

Size: 75'high, 30'-45' wide

Leaf Color: Depending on Species, bright to dark green in spring

Special Request for other types of species will be considered, however the City has the final approval.

The Department of Parks and Recreation will order the tree you have selected. We do not recommend planting trees during the extreme hot summer months.

Every effort will be made to place the tree in the park of your choice. However, if conditions warrant, the Department of Parks and Recreation reserves the right to place the tree in the park best suited for the tree.

Parks and Recreation will notify the donor when the tree and plaque are in place and where the tree is located. For additional information contact Parks and Recreation at 865-868-1893.

Tree Forever Program

The City of Sevierville Department of Parks and Recreation

Tree Forever Program

The City of Sevierville Parks and Recreation offers you three ways to honor loved ones. This is a brief summary of each tree program.

Permanent Plaque and Tree Club – Existing Tree

This program requires Tree Memorials to be placed at approved areas only using existing trees. Also Included is a 8"x4" marble plaque with two lines available for engraving on the plaque at the base of the tree. In addition, the name being honored will be read aloud at the Arbor Day celebration, which is normally late April each year. Cost is \$250.00 per memorial and includes installation and guaranteed livability of the tree including replacement of the tree if necessary.

Permanent Plaque and Tree Club – New Tree

This program offers you the opportunity to pick from on of the three species of trees, Maple, Oak or Evergreen and have that tree placed within a park, Greenway or other public space that is available. Also included is a 8"x4" marble plaque with two lines available for engraving on the plaque at the base of the tree. In addition, the name being honored will be read aloud at the Arbor Day celebration, which is normally late April each year. Cost is \$350.00 per memorial and includes installation and guaranteed livability of the tree including replacement of the tree if necessary.

Planter Area Club -

Participation in this club allows you to select an area and place the following: a four foot bench, 10"x5" marble plaque, landscaping, one tree and pavers. In addition, the name being honored will be read aloud at the annual Arbor Day Celebration, which is normally late April each year. Cost is \$1,200.00 and includes installation and guaranteed livability of the tree, landscaping and replacement of all components if damaged or vandalized.
