Monthly Report for November 2024

THE DIRECTOR'S BOX

'The Directors' Box'... Bob feels you need to know the following....November 2024

Collier Drive Blueway Landing

Parks & Recreation Staff has worked very hard to open three Blueway Landings this month. These landings include the following:

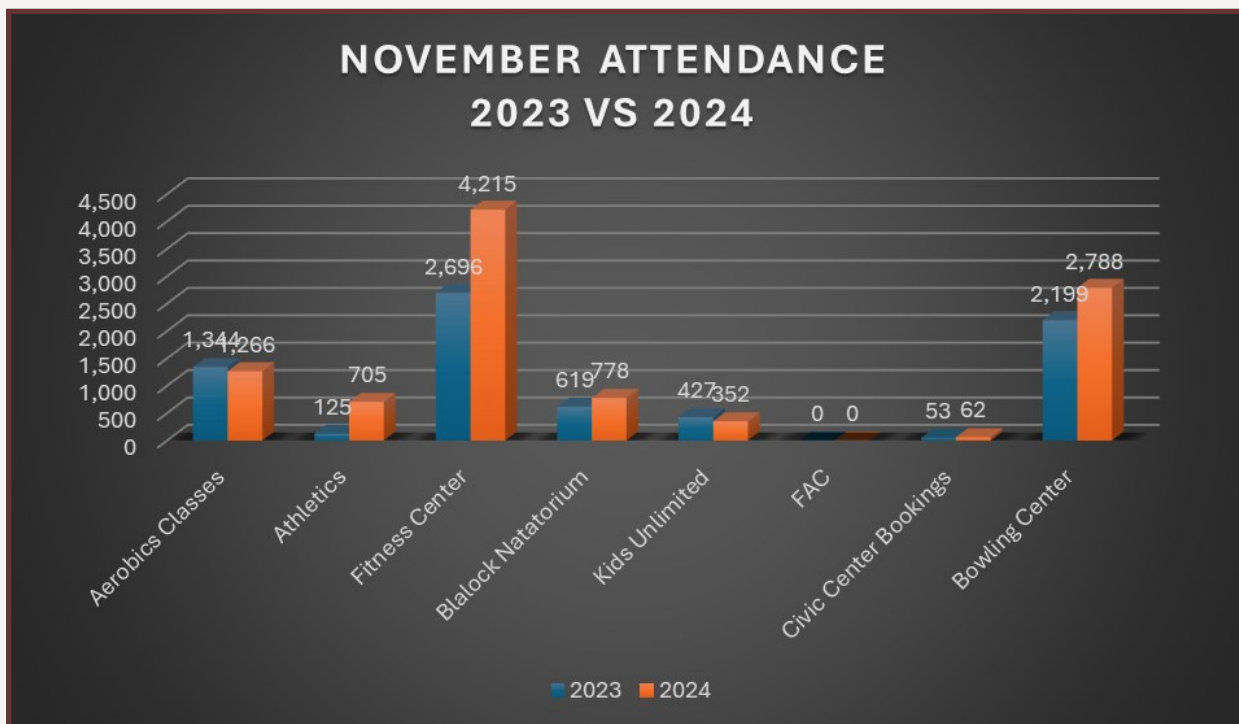

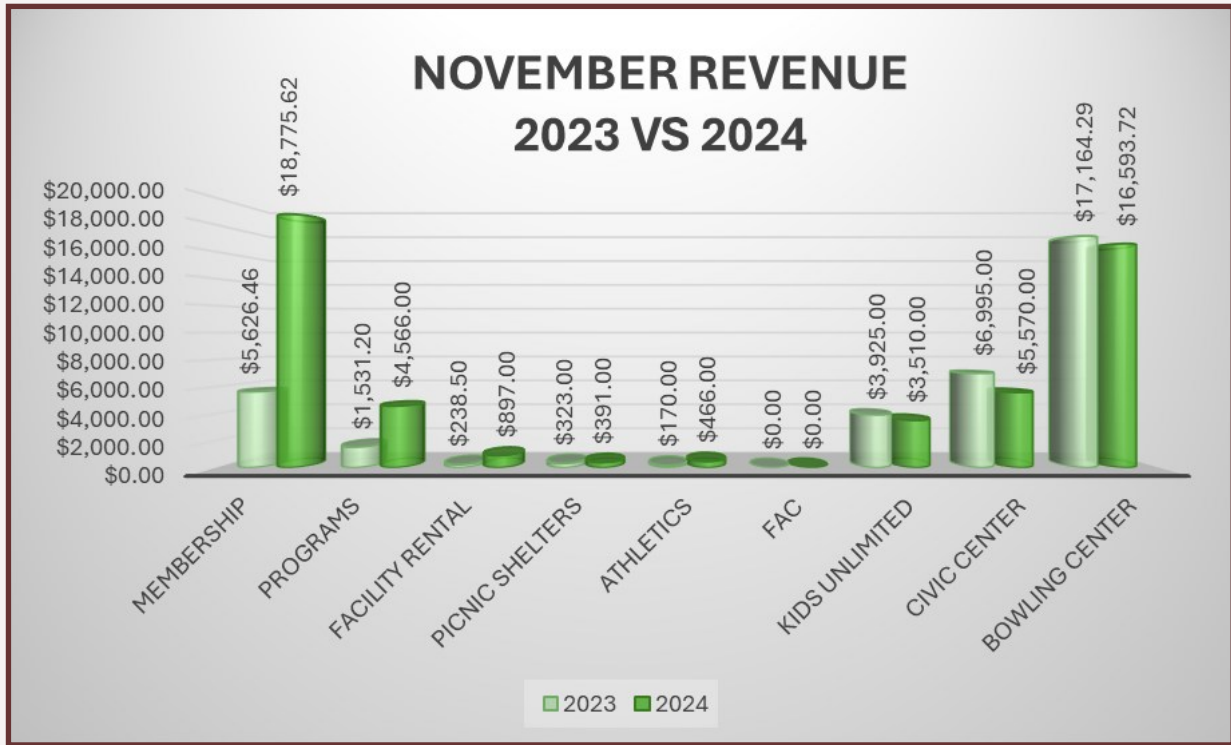

Charles D. Blalock Landing at City Park

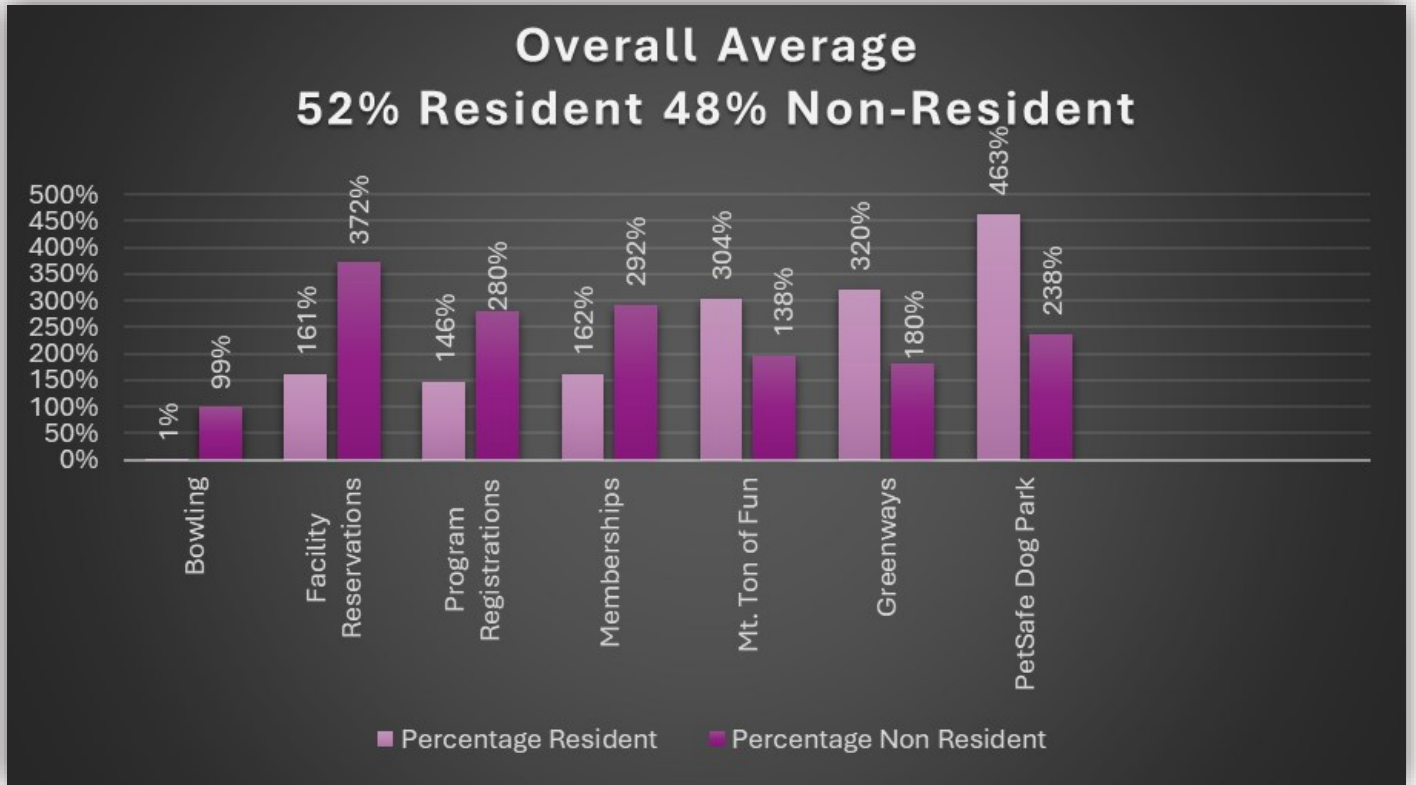

Koester-Bozeman Family Landing at Hardin Lane

November 12th marked my 45th year as Director of Parks and Recreation. I requested to turn over the leadership of the Department to Deputy Director Patrick Oxley and that will become effective January 6, 2025. The same day I will assume the position of Director of Golf. It has been a wonderful 45 years in Parks and Recreation, many memories!

November 2024 Revenue and Attendance

FY25 Resident vs Non-Resident Usage
